

## **Christy Bounds – Transaction Coordinator Manager for all offices**

Christy began her career in Real Estate in 2004 as an Independent Transaction Coordinator. She owned her own business, NorCal TC, where she worked for approximately 80 agents over a 14-year timeframe and closed over 5000 transactions. Her attention to detail, strong work ethic and extensive organization skills are just a few of the many reasons her agents love working with her. She is very loyal to her agents and loves helping them achieve great success through smooth transactions. In 2011 she obtained her Real Estate license and in 2017 she became a Broker.

Christy is the Manager for all Transaction Coordinators in our TC HUB, constantly monitoring our agent services and systems to ensure the best service to all of our agents at Keller Williams. In addition, she handles 25-30 transactions per month. Christy is currently not accepting any new clients.
