This is an Addendum to that Purchase Agreement dated _____ by and between

_____ (Seller) and

_____ (Buyer)

for that Property commonly known as _____, CA.

(Property), Except as specified herein, all other terms and conditions remain unchanged.

1. PRIVATE SEWER LATERAL COMPLIANCE: The East Bay Municipal Utility District (“EBMUD”) Wastewater Control Ordinance requires property owners in certain areas of the EBMUD wastewater service area to obtain a compliance certificate that shows their private sewer laterals (“PSL’s”) are without defects and have proper connections. The ordinance requires property owners to test and, if needed, repair or replace their private sewer laterals when selling their property. *(For further details, see the Alameda County Disclosures and Disclaimers Advisory)*

A. PROPERTY EXEMPT: Seller states that the property is **EXEMPT** because PSL on an affected property meets requirements set forth by EBMUD and Seller has/shall provide(d) evidence to Buyer, prior to final verification of condition.

B. PROPERTY NOT EXEMPT: the following party shall be responsible for compliance (Check One)

1. IN COMPLIANCE: Seller will provide Buyer with a Certificate of Compliance, prior to final verification of condition.

2. COMPLIANCE BEFORE CLOSE OF ESCROW: Seller shall complete all required inspections and required repairs, and provide Buyer with a Certificate of Compliance, prior to the final verification of condition.

3. COMPLIANCE AFTER THE CLOSE OF ESCROW: If compliance is to take place after the close of escrow, then check either Seller or Buyer in each of the four paragraphs below:

A. Seller Buyer (**check one**) agrees to be responsible for obtaining the Certificate of Compliance within 180 days of the Close of Escrow.

B. Seller Buyer (**check one**) shall be responsible to pay the required EBMUD fee for this extension. The responsible party agrees promptly upon Acceptance of the Purchase Agreement to apply to EBMUD for a Time Extension Certificate, which shall be delivered to escrow prior to Close of Escrow.

C. Seller Buyer (**check one**) shall be responsible to post the deposit into escrow as is required by EBMUD for any Time Extension for compliance after close of escrow. Note: If the Certificate of Completion is not obtained within 180 days of the Close of Escrow, this deposit may be subject to forfeit and the property owner may be subject to enforcement action by EBMUD. Fee as of June 2019 is \$4,500, but is subject to change by EBMUD at any time.

D. Seller Buyer (**check one**) to receive refund of the deposit once Certificate of Compliance is obtained.

C. CONDOMINIUM: Condominiums are also required to comply with the private sewer lateral program. Condominiums and other Common Interest Developments with a Homeowners' Association ("HOA") were generally excluded from bringing PSLs into compliance, whether using individual or shared sewer laterals, and had until July 12, 2021 to comply BUT ONLY if the HOA was built before July 12, 2019 and the HOA is legally responsible for maintaining the sewer laterals (the HOA has not filed an appropriate notification of non-responsibility). HOAs built after July 12, 2019, have a 24-month deferral period from date of completion to be in compliance, There are several exceptions. Brokers have no expertise on this topic. For more information go to <http://www.eastbaypsl.com/eastbaypsl/extension.html>

Generally, the HOA is responsible for the PSL compliance, if it is not then Seller Buyer (check one) shall be responsible.
