

Kelly MacCallister

Kelly began her Real Estate Career in August 2019 as a licensed agent and joined KW Walnut Creek in June of 2020. She quickly realized that her prior experience as an Operations Manager paired with her high level of organization and attention to detail would lend itself well to being a Transaction Coordinator.

Kelly is highly organized, motivated and driven to help agents have the smoothest transactions possible. Kelly has a commitment to detail and works hard to meet and exceed deadlines/expectations. She carries the values of hard work, integrity, and outstanding client service into everything she does.

When Kelly isn't working, she enjoys spending time with her family, catching up with friends and travel.

Kelly is currently accepting new clients.
