

Anna Marie Adams - Transaction Coordinator

With over eight years of Transaction Coordinator experience in residential real estate, Anna Marie ensures every transaction she touches is handled smoothly, professionally, and with meticulous attention to detail. She started as a real estate assistant managing TC responsibilities, earned her license along the way, and has spent the last six years as a licensed Realtor continuing to coordinate transactions with that same commitment to excellence and a seamless closing experience.

Before real estate, Anna Marie built a career in corporate project management at AT&T. That foundation in managing complex timelines, cross-functional teams, and high-stakes deliverables is what sets her apart. She combines corporate precision with deep agent-side experience, she understands both sides of the deal, and she knows that a sharp, dependable TC is often what makes the difference between a smooth closing and a stressful one.

Anna Marie is deeply detail-oriented, genuinely enjoys working with people, and thrives on keeping transactions moving forward. She's an exceptional communicator and facilitator, and helping agents close deals seamlessly is what she does best.

At home, Anna Marie has been married to her high school sweetheart for 34 years this September. They have three daughters, a 9-month-old granddaughter, and another grandbaby on the way. When she's not keeping transactions on track, you'll find her outdoors with her German Shepherd, Benny, or spending time with her family.

She'd love to help with your next transaction!
